DHA

Drive-through National Screening Centres for COVID-19 are available across all emirates. Download the SEHA app or call the Estijaba helpline at 8001717 to book a screening appointment for COVID-19 from anywhere in the UAE. Location and time of the screening will be confirmed to you through a text message. Test is free of charge for those suspected to have contracted the virus and for vulnerable groups. For more information [click here](#).
